Messrs
Hypavema Inh. Iwan Schischkowski

Cartiera Capostrada SpA with registered office and production site in Pistoia (PT), Via dei Barbi 32

DECLARES

that the product is

PURE CELLULOSE TISSUE PAPER

- It was manufactured in compliance with the requirements of the European Commission Regulation (EC) 2023/2006 of 22 December 2006 on good manufacturing practices for materials and articles intended to come into contact with food products.
- Complies with the requirements of Regulation (EC) 1935/2004 of the European Parliament and of the Council of 27 October 2004, concerning materials and articles intended to come into contact with food and repealing Directives 80/590 / EEC and 89/109 / EEC, Official Journal of the European Union L338 / 4 of 13/11/2004 and updates.
- Complies with the requirements of Presidential Decree 777/1982 of 23/8/82 and subsequent amendments and additions, published in GU n° 298 of 28/10/1982, Implementation of the directive (CEE) n. 76/893 on materials and articles intended to come into contact with food.
- Complies with the requirements of Ministerial Decree 21/3/1973 and subsequent amendments of the Italian Ministry of Health, Hygienic Discipline of packaging, containers, utensils, intended to come into contact with food or substances for personal use.

Cartiera Capostrada also declares that the product supplied has been analyzed according to the Ministerial Decree of 21/3/1973 of the Italian Ministry of Health and pursuant to the Reg. (CE) N. 1935/2004 of the European Parliament and the Council of October 27, 2004, art. 3:

It is made using raw materials and adjuvants present in the positive lists of current legislation, complies with the composition and purity requirements established for contact with food for which migration tests are required and complies with any specific restrictions that may apply. (Title II Chapter IV art 27 Comma 1a DM 21/03/73).

The sample was found to be suitable for contact with all types of food (dry, wet and fat).

In support of what is indicated in this document, the company declares to have available to the competent Authorities the test reports carried out by a laboratory accredited according to the international standard UNI CEI EN ISO / IEC 17025: 2005.

This Declaration of Conformity is valid only for the material supplied by us and can't be extended to a possible transformation of the same.

This declaration is valid for three years starting from the date shown below and will be replaced by us if substantial changes occur in the production of the material that can change certain essential requirements for compliance or when the aforementioned legislative references are modified / updated in to request a new verification for compliance purposes.
