

Solar panel and car cleaning brush with water flow

GENERAL

Solar panel brush with high-quality feathered Rilsan bristles

- The bristles do not absorb water; they conduct water for higher efficiency
- Can be connected to handle with water flow
- Directs water through multiple jets for increased performance
- Temperature-resistant from -20°C to 80°C
- Ingenious brush shape makes it extra easy to use
- Remove grit and dirt from car before use
