

Rubber gloves - BLACK - LARGE

GENERAL

Extra heavy-duty chemical-proof gloves in black neoprene

- Cotton lining: comfortable and non-irritating
- Good grip due to diamond pattern on palms
- Good chemical resistance against petroleum derivatives and solvents
- Suitable for use in the (petro-)chemical industry and car industry
- Complies with EN 374 and EN 388

USAGE

Store in a cool, dry place, away from direct sunlight and heat sources.

Cleaning Instructions:

Washing and reusing these gloves for chemical protection is not recommended.

If the gloves are used for cleaning and other non-chemical applications, they can be rinsed with cold water after use, patted dry while still in use, and then hung to air dry.

We recommend checking and inspecting the gloves before use and occasionally during use.

Rubber gloves - BLACK - LARGE
