

Boma Eco Matic washing powder - bag 7 kg

GENERAL

BE/006/002

Ecological, extra concentrated powder detergent.

- Based on enzymes and ingredients of plant origin.
- Suitable for all types of white and colored textiles, protects fibers and colors
- Excellent degreasing and de-staining effect from 30°C
- Fresh fragrance with long-lasting effect
- Hypoallergenic

pH 10,8
Cleaning Power Very powerful

USAGE

Sort laundry according to color, degree of soiling and type of textile fiber. Always wash with a full drum. Respect the dosage and lowest recommended temperature (30°C) to reduce energy and water consumption and prevent water pollution.

DO NOT use on microfiber (contains bleach).

Dosage depends on water hardness and soiling level. Contact the local water distribution company for exact water hardness values.

Only use this product for its specified purposes. If in doubt, first test the product in an inconspicuous area. BOMA is not responsible for any damages if the product is used incorrectly. Consult the Safety Data Sheet (SDS) for additional information.
