

Crystal Rinse - 5 l

GENERAL

Highly concentrated rinse aid for universal use.

- For shiny dishes without streaks.
- Prevents limescale and stain formation.
- Applicable in household and semi-industrial machines.
- Recommended in combination with Crystal Powder or Crystal Liquid.

Crystal Rinse is an ecological rinse aid for professional use. Crystal Rinse can be used in domestic and semi-industrial machines. This liquid rinse aid without foaming has been developed for rinsing in the dishwasher. Crystal Rinse is free from chlorine or other halogen compounds, mineral acids and detergents derived from petroleum. All detergents used are of vegetable origin. All ingredients of non-mineral origin are completely biodegradable. This formula contains powerful eco-surfactants.

pH	2.75
Cleaning Power	Mild

USAGE

Domestic machines: Dosing: 0.02'0.04%. Adjust the dose according to water hardness and the results (uniform drying). Check the level of the rinse aid reservoir regularly and refill it before it runs dry. Semi-industrial machines: Rinse aid is dosed automatically at a rate of approximately 0.04% in industrial machines.

Only use this product for its specified purposes. If in doubt, first test the product in an inconspicuous area. Greenspeed is not responsible for any damages if the product is used incorrectly. Consult the Safety Data Sheet (SDS) for additional information.
