

Wash Liquid - 5 l

GENERAL

BE/006/005

GOLD

Liquid detergent.

- Excellent stain removal, even at low temperatures.
- Does not contain optical brighteners.
- Suitable for all colored laundry.
- Sunny perfume.
- EU Ecolabel & Cradle to Cradle.

Wash Liquid is an ecological liquid detergent for professional use. Wash Liquid is safe for colored laundry and gives excellent washing results at low temperatures. Wash Liquid removes all grease, protein or starchy stains. The product can be used at temperatures up to 90°. The product is suitable for household and semi-industrial machines. Wash Liquid is free from chlorine or other halogen compounds, from phosphates or poorly degradable phosphate substitutes and from detergents derived from petroleum. All detergents used are of vegetable origin. All ingredients of non-mineral origin are completely biodegradable.

pH 8.5

USAGE

Pour the appropriate amount of Wash Liquid into the dispensing compartment of the washing machine. Dose according to the water hardness.

Only use this product for its specified purposes. If in doubt, first test the product in an inconspicuous area. Greenspeed is not responsible for any damages if the product is used incorrectly. Consult the Safety Data Sheet (SDS) for additional information.
