

Product information

Sprekler Basic Adaptor

Characteristics

- Extension of the Sprekler Basic and the Limited handle for a universal screw coupling.

The Greenspeed[®] Sprekler Basic Adaptor makes the handle of the [Sprekler Basic](#) and the [Sprekler Limited](#) suitable for [flatmop plates](#) with a universal screw coupling. The adaptor is easily fixed in the handle of the Sprekler Basic, whereupon the universal screw coupling is fitted to the handle.
