

## ConceptRolpers - with roller in plus position

### GENERAL

Ergonomic bottomless roller press.

- Suitable for wringing out flat mops.
- Also suitable for some carpet pads.
- With adjustable roller for multiple pressing tasks:

\*Central position: universal setting for standard pressure. Suitable for all types of flat mops.

\*Plus position: setting for stronger pressure and drier mops.

\*Minus position: setting for weaker pressure and wetter mops. Suitable for carpet pads.
