

Greenspeed Click'M C mop - Basic - 50 cm

GENERAL

Qualitative & light mop for damp cleaning of hard floors. Suitable for the Click'M C frame.

- The mop slips onto the frame and magnetically attaches to the plate with one click. This ensures a lifelong attachment.
- Excellent cleaning power with streak-free results.
- Hygienic, hands-free removal of the mop from the frame after use.
- Integrated colour coding ribbons help ensure correct area and surface use.

The Click'M C is a high-quality and innovative flat mop system, with a revolutionary magnetic click-fastening. Extra hygienic in use, the mop can be removed from the frame without coming into contact with your hands. There are three different mops available for the frame, each with four coloured ribbons for efficient use.

USAGE

1. Machine wash the mop prior to first use.
2. Slide the mop over the frame. Press the handle downwards so that the mop clicks into place with the magnet.
3. Clean the surface.
4. Click the frame loose with your foot. Remove the mop after use.
5. Mach
