

Pressure sprayer IK - Foam PRO 12 - 6 l

GENERAL

Professional sprayer specially developed to produce dry and long-lasting foam.

- Produces a thick and permanent layer of foam.
- Designed to be used with chemical agents with surfactant properties.
- Ideal for cleaning and disinfecting floor carpets and floor coverings, sanitary spaces, changing rooms and kitchens.
- Also suitable for cleaning vehicles.

USAGE

Cleaning and maintenance:

- Depressurise the sprayer and clean it with water after every use.
- Collect and dispose of the residual amount according to the legislation, prescriptions, and applicable regulations.
- In the event of obstruction of the nozzle, clean it with water and do not use metallic objects.
- If the filter of the handle is clogged, remove it and clean it with water.
- Store the sprayer under cover, avoiding freezing temperatures and extreme heat (between 5°C and 30°C).
- To prolong the life of the seals, regularly apply grease to the moving parts of the sprayer.
