

Fragrance machine X-Scent 20 - ANTRACIET GREY

GENERAL

Be inspired by an invisible misting of luxurious scents with this compact yet powerful fragrance machine

- suitable for bottles up to 200 ml
- frequency and operating times can be set up to the second thanks to the Aroma-Link app on your smart phone or tablet
- can be placed or hung (hanging kit included) and can also be mounted on a work trolley
- uses microdiffusion technology (atomization of concentrated oil)
- ideal for washrooms, small offices, checkrooms, hotel corridors,... of up to 30m²

USAGE

First commissioning:

- Open the device with the corresponding key
- Carefully pull out the vial
- Open the vial and fill with fragrance
- Close the bottle and screw it into the device
- Insert 4 D batteries or connect via USB
- Close the appliance with the key provided
- Download the Aroma-Link app onto your smartphone or tablet
- Choose Bluetooth mode and connect your device to the app by entering the code 1234 once
- Set the operation time and frequency as desired
- Close the app

Refilling a bottle

- Use the app to switch off the device for a while
- Open the device with the corresponding key
- Carefully pull out the bottle
- For the same scent: open the bottle and fill with scent
- For a new fragrance: take a new refill bottle and fill with fragrance
- Close the bottle and screw it into the appliance
- Use the app to turn the device on again
- Close the app
