

Twister pad 20" - 508 mm - YELLOW - pack of 2

GENERAL

Yellow Twister Pad.

- Suitable for deep cleaning and enhancing stone floors
- Ideal for daily cleaning of sports floors
- Ensures the surface is well prepared for the final step in enhancing stone floors

Suited for

Natural stone, acid sensitive (limestone) - Natural stone, non acid sensitive - Ceramic tiles - Flooring in concrete, poly-concrete, unglazed tiles and cement based composite floors - Screeds, epoxy flooring, PU flooring and resin based composite floors

USAGE

Daily maintenance of sports floors:

- Use the yellow Twister Pad and water for daily cleaning of floors with normal traffic.
- Replace the pad when the yellow colour has worn off.

Deep cleaning and upgrading:

Hard floors:

Standard:

1. Clean the floor using the white twister pad and water for 2-4 weeks.
2. Clean the floor using the yellow twister pad and water for 2-4 weeks.
3. Continue cleaning the floor on a daily basis using the green twister pad and water.

Intensive:

1. Scrub the floor using the white twister pad and water, repeat 10 times in a row.
2. Scrub the floor using the yellow twister pad and water, repeat 10 times in a row.
3. Scrub the floor using the green twister pad and water, repeat 10 times in a row.
4. Optional: dry polish the floor using the green twister pad (<3500 rpm).

Use enough water while deep cleaning and upgrading. Don't use water for polishing, only use the green twister pad in combination with a high-speed single-disc machine.

Twister pad 20" - 508 mm - YELLOW - pack of 2
